1955 ANNUAL REPORTS

OF THE TOWN OFFICERS, HAVERHILL, N.H.

THE BROOK

As you reach the junction of Routes No. 10 and No. 25, you are at the Brook village on the "Great Road" or "River Road" of the early days extending the length of the town on its western border. The "Brook Road" or Route No. 25 was not laid out until well along into the nineteenth century, a trail or bridle path connecting with the sparsely settled section "out east." But for seventy-five or a hundred years of the Town's history there was, within a quarter mile radius of the present cement bridge, a teeming center of industrial activity. Here were at least three saw mills, two of them on the hill below the old Slight mill; an iron foundry; grist mills; paper mills; a carding mill; and a mill or factory where the first carding machines in America were produced; a tannery; a flax mill; two woolen mills; two hatteries; a starch mill; a potash factory, and other smaller industries.

What became of them all? In the first place, a similar story might be told of most of these Coos Country towns. They of necessity had a "make it yourself" campaign. But gradually roads and transportation facilities improved, the local factories could not compete with the larger "down country" concerns and the coming of the railroad spelled the doom of these small town industries. Had the original plans been carried out the junction of the Boston, Concord & Montreal Road with the Passumpsic Road would have been at South Newbury, thus bringing the railroad directly through this "Brook Section"; but a study of the situation resulted in a change to its present "late lamented" route, thus avoiding the wide meadow with its crippling spring floods. Another factor was the fact that these same saw mills and thousands of others like them scattered along the banks of the Connecticut, were denuding the hills and uplands of the very forests that conserved the moisture feeding the brooks and rivers thus crippling the local motive power. Gradually the industries went out of business, the buildings burned or were torn down and now "The Brook" is a cluster of a few houses and a busy corner where you turn north, south or east.

ANNUAL TOWN MEETING WARRANT

State of New Hampshire

To the inhabitants of the Town of Haverhill in the County of Grafton qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, March 13, 1956, at ten o'clock in the forenoon, to act on the following matters:

Article 1. To choose a Town Clerk.

Article 2. To hear the reports of the Selectmen, Treasurer, Cemetery Commissioners, and any other town officers heretofore chosen and to pass any vote relating thereto.

Article 3. To choose one Selectman for the term of three years, a Town Treasurer, one Highway Agent, one or more auditors, one Library trustee for the term of three years, one Cemetery Commissioner for the term of five years, two Trustees of trust funds for the term of three years, and all other necessary Town officers.

Article 4. To see if the Town will vote to contribute funds for the construction of Class V highways, as provided in Chapter 188, Part 13, Laws of 1945, and to raise and appropriate the sum required for this purpose.

Article 5. To see if the Town will vote to make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the Town, as recommended by the Finance Committee in its budget report, to raise and appropriate all sums so determined for the purpose so determined, and to pass any other vote relating thereto.

Article 6. To see if the Town will vote to authorize the Selectmen to issue interest-bearing Notes or Orders to provide for the current year's expenses in anticipation of taxes.

Article 7. To see if the Town will vote to authorize the Selectmen to distribute the inventory blanks by mail, or at the time they examine the taxable property.

Article 8. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Collector's deeds.

Article 9. To see if the Town will vote to appoint or elect a budget Committee to supervise the appropriations of the Town, and to recommend to the next Annual Town Meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 10. To see if the Town will vote to authorize the Selectmen to procure a power shovel, and to raise and appropriate the sum of not to exceed \$4,000.00 for that purpose.

Article 11. To transact any other business proper to come before said meeting.

Given under our hands and seal this first day of February A.D. 1956.

ROY E. DUNKLEY

Selectmen of Haverhill

This is a temporary warrant. Articles may be added up to the time of posting.

REPORT OF THE SELECTMEN

To the Citizens and Taxpayers of the Town of Haverhill:

We herein submit our annual Report for the year ending 31 December, 1955. Our detailed statements will be found on the following pages of this report.

This past year the Town lost a valued Public Servant. Chief of Police EDWARD G. HOBBS had served his Town as a Special Officer and Chief for almost thirty years. His passing was a great loss to all of us.

During the past year the Town Poor account was badly overdrawn. Several emergency cases requiring long hospitalization and medication accounts for this and could not be anticipated.

At the start of Fall Road work the Town suffered what could have been a very serious accident when its Road Grader went through the bridge on the Brier Hill Road. The quick thinking of the operator saved himself from serious, if not fatal, injury. The Grader was almost a complete loss and the bridge totally destroyed. It was necessary for your Selectmen to take emergency measures to replace both the Grader and the bridge. The Grader was fully insured which greatly relieved the cost burden. A new Grader was purchased from the Scott Machinery Co. of Concord, N. H. Listed here is a detailed report of this purchase:

Cost of New Grader	\$ 17,671.00	
Salvage on Old Grader		\$ 4,500.00
Insurance		5,221.21
Cash discount		160.19
Total		\$ 9,881.40
Cash payment		7,789.60
		<hr/>
		\$ 17,671.00

Last Spring the trade-in value for the Old Grader was \$8,500.00. It was also necessary to spend extra money to fix a temporary bridge and a complete job will have to be done in the Spring.

The fire proof curtains and drapes have been hung on the stage of the Town Hall.

We are continually grateful for the continued cooperation of all Town Officials and the publics' interest in all phases of Town affairs.

The librarian and Mrs. G. H. McGaw, trustee attended the New Hampshire and Vermont joint session of the associations at Wentworth-by-the-Sea in October.

Children's story hour was conducted at the library in the summer.

Use of library facilities by the school has greatly increased this year. Classes have been instructed in the use of the library by the librarian.

The librarian has cooperated with the Woodsville Progressive Club in the observance of "know your library" month of November. A telephone chain was used in publicizing this observance.

The question is not *can* your boy or girl read but *is* your boy or girl reading? Statistics at the library would imply that he is not. It is the hope of the librarian that parents will urge their younger children to visit the library more frequently.

WOODSVILLE SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the Union High School District of Woodsville qualified to vote in district affairs:

You are hereby notified to meet at the Community Building in said district on the 16th day of March, 1956, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of agents, Auditors, committees, or officers chosen, and pass any vote relating thereto.
7. To choose agents, Auditors and committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To choose a Library Trustee for the ensuing year.
10. To see what sum of money the district will raise and appropriate for the support of the Woodsville Free Public Library.
11. To see what sum of money the district will vote to raise and appropriate for the support of the Woodsville High School Activity Program.
12. To see if the district will authorize the School Board to make application for and to receive, in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U. S. Government and/or State Agencies.
13. To see if the district will vote to authorize the application of any unanticipated income to expenses.
14. To transact any other business that may legally come before said meeting.

Given under our hands at said Woodsville this 23rd day of January, 1956.

The kindergarten has been transferred from the Community Building to a newly remodeled and re-decorated room at the graded school. The enrollment of 37, an increase of 9 since last year, necessitated an after-noon session, as well as the usual morning session. There is also a large 1st grade group with 38 pupils enrolled. Mrs. Barbara Weed is employed for the afternoon session, assisting Miss Lang, who last year was assisted by Mrs. Jones. Mrs. Jones now has a full day with the kindergarten.

An expanded English program in the high school was made possible by the employment of an additional teacher on the faculty. Mr. John F. Stohrer of Concord, New Hampshire, a graduate of Plymouth Teachers College, Class of 1950, holding a B. Ed. degree, has this new position.

Mr. Alvin E. Chase, a University of New Hampshire graduate with major credits in the field of Industrial Arts, replaced Mr. Frank Hackett in the shop. Mr. Chase is a resident of Keene, New Hampshire, and comes to Woodsville High School from the automotive industry.

As the enrollment at the secondary level increases, the need for classroom space will increasingly be a major problem. Sufficient floor space is in the building. With the erection of moveable partitions in the assembly room and by using the lunch room and Superintendent's office, additional classroom space can be made available to accommodate an expanding program. The use of the Community Building for the noon lunch program has been suggested to free the use of the room now used for the cafeteria.

Americans are justifiably proud of their schools. Our nation spends nearly a billion dollars a year on its high schools, attended by over seven million students. The results of such a tremendous investment in money and human resources demand careful study and enlightened planning by all laymen as well as by educators.

The continued interest of our citizens in the Woodsville school system is evident by their accomplishments—the organizing of a Parent Teachers Association, the sponsoring of a milk program for needy children, and the financial support given the library and the activities association are but a few examples of this interest.

The cooperation of all departments of the district in general, and of the faculties and school board in particular, are greatly appreciated.

The reports of Principal Pendo and of the School Nurse follow.

Respectfully submitted,
PHIL A. BENNETT
Superintendent of Schools

REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

I herewith submit my annual report of Woodsville High School for the year ending January 31, 1956.

Enrollment

The enrollment for the school year 1955-56 included 156 pupils.

Distributed according to classes they were as follows:

Seniors	31
Juniors	35
Sophomores	38
Freshmen	53
<hr/>	
Total	157

Graduates

Diplomas were awarded to the following graduates on June 16, 1955:

Clifford Boyd	Shirley Johnson
Marion Butson	Barbara Jones
Betty Campbell	Paul McLure
George Chase	Elizabeth Priest
Robert Daniels	Bernard Roy
Alice Deblois	Robert Savoy
Nancy Dudley	John Thornton
Muriel Heath	Elizabeth Weed
James Hobbs	Lona Welch
Robert Hubbard	Arlen Whitcomb
Christine Johnsen	

Scholarships

The following scholarships were awarded:

First Honor: Elizabeth Weed
Second Honor: Christine Johnsen
Third Honor: Barbara Jones
Fourth Honor: Shirley Johnson

The Alumni Attainment Award was given to Barbara Jones; the Perley N. Clark Awards for excellence in music went to Barbara Jones and Elizabeth Weed; the Bausch and Lomb Science Award was given to Elizabeth Weed; Staff Sergeant James M. Jackson Award for excellence in U. S. History went to Christine Johnsen. A year's subscription to Reader's Digest for being the valedictorian of her class went to Elizabeth Weed.

Activities

The activities program consisted of the following: Physical Education for both the boys and the girls, softball, fencing, baseball, and basketball. In November of 1955 physical education classes were started and continued throughout the fall and winter months for boys who were not participating in regular basketball practices. Mr. John Stohrer was in charge.

In the spring of 1955, Mr. Frank Woodward, assisted by Mrs. Arlie Covell, put on "Aunt Abby Answers An Ad" as the annual school play. It was well received and much enjoyed by an enthusiastic audience.

The cheerleaders, headed by Barbara Ashley and Roxanna Walker, two senior girls, had a squad of ten girls whose excellent antics and singing cheers were a pleasure to watch.

Both basketball teams had successful years. The boys, under the capable coaching of Mr. Robert Dumais, compiled a record of 11 wins as against 7 losses. They ranked 16th in the State in Class B, and qualified for a playoff game against 1st ranking Penacook team but lost 59 to 40. Thus ended another basketball year for the Engineers.

The girls' basketball team, under the capable coaching of Miss Lois Litz had another banner year, winning 11 and losing 3 games, and for the 6th consecutive season went undefeated in the Ammonoosuc League. A phenomenal record indeed!

The baseball team, coached by Mr. John Matthews, had a good season, winning 6 and losing 5 of their games.

The financial statements of the school activities is as follows:

Activity	Income	Expense
Basketball	\$ 886.11	\$ 775.23
School Play	153.10	69.79
Cheerleaders	344.60	428.19
Baseball	13.25	195.58
Fencing Equipment	31.25	153.32
Balance from last season	206.91	
	<hr/>	
Totals	\$ 1,635.22	\$ 1,622.11
Income		\$ 1,635.22
Expense		\$ 1,622.11
	<hr/>	
Profit		\$ 13.11

For the school year 1955-56 the School Board appropriated \$2,000.00 for the running of school activities. This action will greatly alleviate the financial pressure on school activities because more and more outside attractions are cutting out school attendance by adults and students. Television has become the main factor. Also as the result of this subsidization, bus transportation has been provided for school trips, more equipment can be bought for intra-mural sport, and greater student participation is possible.

Curriculum

The academic standards of Woodsville High have been kept at a high level. New textbooks, films, slides, and guidance material were acquired to aid in better and improved teaching of students. The following new courses were introduced: Problems of Democracy was given to all seniors; course in Dramatics was added and was made an elective to all students. Guidance Department was established with Mr. Frank Woodward as guidance counselor.

In the fall of 1955 Mr. Alvin Chase replaced Mr. Francis Hackett in shop. Mr. Hackett obtained a position at Rochester High School. Because of increase in enrollment. Mr. John Stohrer was added to the English Department.

General Information

The Cycle, the quarterly publication, was issued by the Commercial Department under the guidance of Mr. John Matthews and Mrs. Virginia Kendall.

Friday's assemblies were sponsored by teachers and students. These assemblies consisted of speakers, movies.

student plays, musical and quiz contests. Most of them proved to be educational as well as entertaining.

It is and has been a pleasure for me to work in this community. The cooperation of the public and parents has been excellent. Supt. Phil Bennett and the School Board have indeed been thoughtful and cooperative in all respects, and it is because of their interest and because of their long-range vision that constant educational progress is being made.

Respectfully submitted,
A. G. PENDO
Principal

REPORT OF SCHOOL NURSE

Number of Pupils Examined		360
Symptoms of Defects		Corrections
Vision	43	47
Hearing	2	1
Teeth	151	230
Tonsils	6	
Communicable Diseases:		
Poliomyelitis	1	
Measles	88	
Mumps	4	
Pediculosis	1	
School Visits	111	Home Visits 110

The routine vision and hearing screening tests were completed for the year. Notices were sent to parents when defects were noted.

I would like to thank the Cohase Lions Club for their cooperation and assistance in the Sight Conservation Program.

Several pupils attended the chest clinic held at the Parish House, May 13th.

The Child Guidance Clinic has been held in Littleton every other month.

A Woods Light was purchased by the school districts of Supervisory Union No. 23. This light is used to detect the presence of scalp ringworm. No cases were found.

Physical examinations were done in the 1st, 4th, and 8th grades. This examination was done either by the pupils'

family doctor or by the school physician, Dr. E. C. Campbell.

The Progressive Club again sponsored the mid-morning milk program.

In October 1954, there was one case of Poliomyelitis reported. The following day, all known contacts were given a Poliomyelitis Immune Globulin inoculation at Dr. Eastman's office. The material for these inoculations was provided by the American Red Cross and was made possible by blood donated by volunteers enrolled by the American National Red Cross.

On May 25, 1955, sixty-two first and second grade pupils received their first Salk polio vaccine inoculation. This vaccine was given by the National Polio Foundation. The State Department of Health conducted the clinic organized by Mrs. Loretta Russell, R. N., Public Health Nurse for this area. Dr. Everett Campbell and Dr. Cyrus Eastman donated their time to inoculate the children from our six school districts in Supervisory Union No. 23. The following nurses assisted at the clinic: Mrs. Florence Clough, Mrs. Florence Weare, Mrs. Eve Maccini, Mrs. Dale Cummings, Mrs. Betty Minot, and Mrs. Helen Olsen. Marion Butson, Betty Campbell, Beth Weed, and Elaine Guay, Woodsville High School students directed traffic to the clinic room. Mrs. Bernard Peters passed the record cards and Mrs. Maude Schoff recorded the date on each card as it was left at her table. Thelma Willey was in charge of the ice cream cups and was easily the most popular person in attendance. The ice cream was donated by the Ross Wood Legion Post and its Auxiliary, and the North Haverhill Fire Department.

In closing, I wish to thank Mr. Bennett, Dr. Campbell and Dr. Eastman, the teachers, parents, pupils, and all other community members for their cooperation and interest in the school health program this past year.

Respectfully submitted,

*The starred items are required by law to be raised as determined by the proper authorities. The district determines the salaries of the district officers. The supervisory union board decides the local share of the superintendent's salary and other union expenses. The supervisory unions share of the Superintendent's salary for 1956-57 is \$4,800.00 with \$1,000.00 allowed for travel. The State's share is \$2,500.00, total salary is \$7,300.00. The State Treasurer reports the amount of the per capita tax. The retirement board assesses the amount for the teachers' retirement.

Mr. John F. O'Brien, a new member of the Haverhill Academy faculty, replaced Miss Joanne Harriman as social science instructor at the opening of school in September. Mr. O'Brien attended Keene Teachers College and received a B. S. in Education degree from Farmington State Teachers College, Farmington, Maine in June 1955. His home is in Whitefield, New Hampshire.

There was no change among the elementary faculties in the district for the third successive year.

The school districts northern boundary was changed by unanimous agreement between the Haverhill and Woodsville School Boards, and the selectmen of Haverhill, thus relieving the Haverhill district of an estimated \$10,000 tuition burden, plus a possible transportation charge if the "4-Corner" pupils had been transported to Haverhill Academy.

A change of policy voted at district meeting reducing the required walking distance of resident pupils to a one mile limit, was very gratifying and is an indication of the interest of the citizens in the welfare of the district's youth.

Although school costs continue to rise, yet the Haverhill 1954-1955 average elementary school cost of \$206.46 per pupil compares favorably with other New Hampshire districts, the state average being \$204.15 per pupil.

Some interesting comparisons between New Hampshire and other states have been made during the year by our Commissioner of Education, a few of which I include herewith:

The national average for expenditure per school is \$262. New Hampshire spends \$253, and ranks 26th.

In the population group 25 years and over, 11% of Americans across the country have had less than five years of education. The New Hampshire percentage is 6.3. In other words, the adult population of 35 states has had less schooling than in New Hampshire, and we rank 13th.

In the same group the national proportion for those with four or more years of college is 6 per cent. In New Hampshire it is also 6 per cent. The State is 20th from the top.

Our standing with respect to teachers is not so good. The average salary of classroom teachers in the United States is \$3,605. In New Hampshire for 1953-1954, it is \$3,225—or 31st from the top. Thirty-one per cent of the

nation's elementary teachers have less than four years of college training. In New Hampshire the percentage is 61 per cent.

The continued interest of all groups, both collectively and individually in Haverhill, for the welfare of the school system is sincerely appreciated by the school board members as well as by the superintendent. Without the support of the individuals of a municipality, the system would soon deteriorate and collapse.

Your attention is directed to the reports of the Principal of Haverhill Academy and of the District Nurse which follow.

Respectfully submitted,
PHIL A. BENNETT

PRINCIPAL'S REPORT

To the Superintendent of Schools:

I submit herein my thirty-second report of Haverhill Academy and High School for the school year ending December 31, 1955.

The total enrollment for the school year 1955-1956 to date is ninety. Two pupils have left school as of the above date.

By classes the enrollment is as follows:

	Boys	Girls	Totals
Seniors	10	10	20
Juniors	6	9	15
Sophomores	18	8	26
Freshmen	20	9	29
	<hr/>	<hr/>	<hr/>
	54	36	90

Diplomas were awarded to the following graduates in June:

Barbara Brown	Charles Hanson
Rae Cota	Rosalie McKean
Jacqueline Cote	Aleta Merrill
Nancy Dearborn	Geneva Reed
Fernand Fagnant	Florence Robinson
Leon Fagnant	Ann Shallow
Beth Foote	Alice Shraison
Floyd Fortier	

Scholarship honors were won by the following graduates in the order named: Florence Robinson, Rae Cota, Alice Shraison, and Barbara Brown. The Scholarship, Loyalty, and Achievement medal was awarded to Rae Cota. *Four* of the *fifteen* graduates are attending post-secondary institutions. *One* is in the armed services. Recent reports from the remaining *ten* indicate that they are gainfully employed.

The extra-curricula activities consisting of basketball, baseball, soccer, cross-country track, glee clubs, dances, and school paper give all an opportunity to participate. The few who do not participate fail to do so of their own choice.

The boys' and girls' athletic teams have been unusually successful. The boys' basketball team won the league championship and the girls' team took second place in the league. The boys' baseball team won second place in the league. Including cheerleaders and managers, there are forty represented on the two basketball squads this season.

Nineteen pupils successfully passed the driver training course during the school year closing in June and seventeen are enrolled in the course this year. Forty-one of the fifty-two pupils who will be 16 years old by the close of the school year in June will have completed the course.

The results of the local and State testing programs indicate a wide range of abilities as would be expected. However, the average is somewhat above the average for the state as a whole. The reading test, consisting of tests of word meaning, speed of reading, and comprehension, indicate that our pupils are also somewhat above the state average.

No change has been made in the program of studies. No additions to the program are possible under the present conditions of number and size of classrooms and teaching staff. At the present time, all pupils have, during their four-year course, an opportunity to select from a list of thirty-two subjects. Only sixteen are required for graduation. It would seem that the number of subjects offered is adequate. However, it may be argued that of the thirty-two offered, some are not the right ones. Four of the subjects—Latin, advanced math, physics, and geometry—have a total enrollment together of only twenty-four pupils. If popularity alone were the only basis for offering or continuing to offer a subject, then the four mentioned above should probably be dropped and something substituted in their places. However, it should be kept in mind that the languages, mathematics, and the sciences, along with English and history, have long been considered the basic subjects. It is the writer's opinion that it would be a mistake not to continue to so consider them.

The consolidation of the elementary pupils in one building under the new plan should remove many of the unequal opportunities that have unavoidably existed in the past. The pupils should now enter high school more uniformly prepared in subject matter and better socially adjusted. The release of the three rooms now occupied by the elementary grades at Haverhill Corner will provide an adequate number of additional classrooms for the high school use and will also make possible an expanded program. The future looks bright.

Respectfully submitted,

FRIEND H. JENKINS

REPORT OF SCHOOL NURSE

Number of Pupils Examined		329
Symptoms of Defects:		Corrections:
Teeth	138	195
Tonsils	23	3
Vision	38	29
Hearing	3	2
Case of Communicable Disease:		
Measles	91	
Impetigo	1	
Ringworm	3	
School Visits	106	Home Visits 119

The routine vision and hearing screening tests were completed in all schools. Written notices were sent to parents when defects were noted.

Twenty-nine children received immunizations at the Immunization Clinics held at Haverhill Corner and North Haverhill.

The Woods Light was purchased by the school districts. This light is used to determine the presence of scalp ringworm.

Six pupils attended the chest clinic held at Woodsville, May 13, 1955.

Sixty children attended the dental clinic held at Bradford, Vermont. There were six morning clinics from 9-12. The following organizations donated sums of money for this clinic: North Haverhill Girls Club, Haverhill Corner PTA, Haverhill Corner Fire Department, Pike Grange, Pink Granite Grange, North Haverhill, and the Haverhill Memorial V. F. W. Post No. 5245 together with its Auxiliary. Transportation to these clinics was furnished by Mrs. Eleanor Reed, Mr. Ed. Foss, Mr. Roy Dunkley, Mrs. Priscilla Stoddard, Mrs. Florence Clough, and Mrs. Ida Foote.

On May 25, 1955, forty-four pupils received their first Salk polio vaccine inoculations. The children were transported to the Woodsville Community Building for this clinic. The vaccine was provided by the National Polio Foundation. The clinics were conducted by the State Department of Health and were organized by Mrs. Loretta

Russell, R. N., Public Health Nurse for this area. Dr. Everett Campbell and Dr. Cyrus Eastman donated their time to give the Salk polio vaccine. The following nurses assisted: Mrs. Florence Clough, Mrs. Florence Weare, Mrs. Eve Maccini, Mrs. Dale Cummings, Mrs. Betty Minot, Mrs. Helen Olsen, and Mrs. Mable Thayer. Shirley Thayer, Brenda Thayer, and Doris Campbell, Woodsville High School pupils, directed traffic at the second clinic. Record cards were given out by Mrs. Bernard Peters and dates were recorded by Mrs. Maude Schoff as each pupil left his card at her table.

On June 14, thirty-one pupils received their second Salk polio vaccine inoculations. Due to the shortage of the vaccine, we were unable to complete the second inoculations before school closed for the summer vacation.

The North Haverhill Fire Department gave money to help pay for the ice cream served at the first clinic. Lollypops for the second clinic were donated by Bartlett Mann of Woodsville, New Hampshire.

I wish to thank Mr. Bennett, the teachers, parents, and pupils for their cooperation and assistance in the School Health Program for the past year.

Respectfully submitted,
MURIEL LAMOTT, R. N.

STATE FORESTER'S REPORT

BE A GOOD CITIZEN—COOPERATE

Smoking and debris burning caused more than 50 percent of the forest fires occurring in the state of New Hampshire in 1955—235 fires out of a total of 463 originated from these two sources. Lighted smoking material and matches thrown from moving vehicles along the highway or dropped by fishermen, hunters, hikers, berry and flower pickers accounted for 26 percent; debris burning in the wrong place or at the wrong time by those who failed to heed all pleas for safety or refused to recognize the logical, sensible rules and regulations set up under legislative authority governing the use of fire in or near woodlands accounted for more than 24 percent. This is inexcusable.

Everything possible is being done officially to remedy the situation. Since 1909 there has been a statute on our law books which requires everyone to secure written permission from the local forest fire warden before starting a fire in or near woodlands or where fire can be communicated to woodlands, unless the ground is covered with snow. A never ending program of educational work is being carried on by your local warden and state officials to inform the general public both of the value and necessity of securing the required permit for such burning. Much progress has been made, but there are still many who fail or refuse to cooperate. The value of our permit system was definitely proven in this district during the 1955 calendar year. District local wardens issued 959 permits for debris burning fires. That's a lot of permits. The records show only 2 permit fires got out of control. This proves several things—while wardens were liberal in the issuance of fire permits, accommodating every applicant so far as possible, they were cautious, following closely directives outlining overall policy governing the issuance of burning permits and thoroughly instructing permit users. The latter, too, fully appreciating their responsibility in using their permits,

governed themselves accordingly. Result? Much burning done legally and safe.

But what of the smokers? Despite all the efforts of those officially charged with the responsibility of preventing fires, too many were careless or thoughtless in disposing of smoking material and matches. Why? It is difficult to say. Autos are now equipped with ash trays. Why not use them. The crushing out of a cigar, cigarette and the complete extinguishment of matches before being discarded is an easy chore.

If the costly habits of the careless and indifferent smoker and debris burner could be overcome, more than half of our annual forest fires would be eliminated. Will YOU do YOUR share to bring this about?

REMEMBER

1. Get a written permit from your local warden before starting your debris burning or camp fire. The law requires it.
2. Make certain they are dead out before leaving them.
3. Become a safe smoker by extinguishing smoking material and matches before discarding them.

LAURENCE SMITH
Forest Fire Warden

WHITE MOUNTAIN REGION ASSOCIATION

Your Region Association has had in 1955 one of the most active years. Naturally, the highlight was the Presidential visit in June, and we were honored by taking a direct part in various phases of the planning which went on for months previous. Seldom has the limelight been so directly centered on the White Mountains in a national scale.

Through all the complications and confusion surrounding that planning we somehow found time to carry on our normal schedule of work benefiting our towns. Much outside travel has carried the "message of the mountains" personally to Boston, Hartford, Springfield, New York, and Philadelphia. Events such as a Guides' Show and a Women's Golf Tournament were promoted and brought gratifying publicity. Stories and pictures were placed in many publications, and thousands of publicity folders distributed, as well as direct mail answering of several thousand letters and cards with information.

Our annual 4-H contest continues to have heartening results in encouraging young people's efforts through this fine organization. Another standby, the real-estate bulletin, has put property prospects in touch with property owners and realtors all over the region.

Is it all doing *you*, the tax-payer, any good? "Yes!" to that. We tracked down some of our mail inquirers in a random sample again this year. We found that out of *just this small sample* (500 letters and cards) we had 100 parties that spent just over \$17,000 in the Region! That represents over 2½ times the amount appropriated by all our towns last year. We're sure you would all be glad to invest \$1.00 to get back \$2.50, any day.

Naturally this income isn't the only total we brought in, as there are many, many more we have no way of tracing. But it does show this is big business. It means that these people are paying big sums of *tax* money that doesn't come out of *your* pockets. With your continued help we can ease the burden of the tax load in all towns, bringing outside money to help pay for state and local services that otherwise *you'd* have to finance.

DAVID S. CASSEDY
Executive Secretary
